

## BRIEF SUMMARY

I'm Wasid Ansari, an enthusiastic software developer with a solid background in web technologies who enjoys creating significant digital solutions. I take pleasure in problem-solving, participating in open-source initiatives, and continuously picking up new abilities. I'm a motivated, inquisitive person that is constantly eager to take on new tasks.

## KEY EXPERTISE

Software Development   DevOps   Computer Architecture

## EDUCATION

<b>Aligarh Muslim University</b> M.C.A. - Computer Applications   Percentage: <b>74 / 100</b>	2023 - 2026
<b>Aligarh Muslim University</b> B.C.A. - Computer Applications - Computer Applications (Full Time)   CGPA : <b>6.68 / 10</b>	2022 - 2024
<b>AMU CITY SCHOOL ALIGARH, Aligarh</b> 12 <sup>th</sup>   AMU   Percentage: <b>78.60 / 100</b>	2020
<b>AMU CITY SCHOOL ALIGARH, Aligarh</b> 10 <sup>th</sup>   AMU   Percentage: <b>78 / 100</b>	2018

## INTERNSHIPS

<b>SPURSONA PRIVATE LIMITED</b>   Education Software Engineer Intern	12 Jul, 2023 - 12 Sep, 2023
<b>Key Skills:</b> Software Development   Computer Architecture   Networking   DevOps   Open Source Software	
competent in developing software, with a solid background in creating scalable online apps and participating in open-source initiatives. adept at creating and managing reliable codebases with contemporary technology. knowledgeable about computer architecture and the relationship between software and hardware for optimum performance. capable of understanding the basic concepts of networking, such as IP addressing, protocols, and safe data transfer. competent in problem-solving, working in cross-functional teams, and constantly picking up new skills and techniques to improve development efficiency and produce software that meets high standards.	

## PROJECTS

<b>3D Personal Portfolio</b> <b>Key Skills:</b> Three.js   HTML   CSS   JScript <b>Project Link:</b> <a href="https://wasid.cloud/">https://wasid.cloud/</a> Using React, Three.js, and @react-three/fiber, I created an interactive and visually appealing personal 3D portfolio. Built with React 18 and utilizing @react-three/drei and r3f-perf for simplicity and performance, the website highlights my work, abilities, and originality with fluid animations and captivating 3D elements.	09 Apr, 2025 - 03 Jul, 2025
<b>Pathology Lab</b> <b>Key Skills:</b> ReactJS   NodeJS   Redux   MongoDB <b>Project Link:</b> <a href="https://lab-advertisement-server.vercel.app/">https://lab-advertisement-server.vercel.app/</a> Users may easily locate, schedule, and manage pathology tests online with this web-based tool. By allowing patients to schedule tests, examine test details, and receive reports digitally, it streamlines the conventional lab appointment procedure. Additionally, the platform has an admin dashboard where lab personnel can effectively manage reservations, add or amend tests, and keep track of patient data.  Important attributes:  System for scheduling patient tests  Test catalog in real time	20 Jul, 2024 - 20 Dec, 2024

Test and booking management admin dashboard

Reports can be safely stored digitally.

ACHIEVEMENTS

- I participated in GirlScript Summer of Code (GSSoC) and successfully contributed to open-source projects. I was also a winner of Hacktoberfest, where I made quality contributions to various repositories. These experiences enhanced my collaboration skills,

SEMINARS / TRAININGS / WORKSHOPS

**Competitive Programming Institute Name:** Aligarh Muslim University

20 Mar, 2022 - 28 May, 2022

**Key Skills:** CPP Algorithms

During my three months of competitive programming-focused C++ training, I improved my problem-solving abilities and gained an understanding of important algorithms and data structures. My coding speed, accuracy, and analytical thinking all improved dramatically as a result of the training, which included completing time-bound coding challenges, improving logic-building, and getting ready for coding competitions.

EXTRA CURRICULAR ACTIVITIES

- I took part in extracurricular activities in addition to my studies, and I won multiple quiz contests at the high school and college levels

PERSONAL INTERESTS / HOBBIES

- My interests include reading books, teaching others, and playing chess—activities that stimulate my curiosity, foster learning, and sharpen my mind.

IMs

- WhatsApp - 9389746454

PERSONAL DETAILS

**Gender:** Male

**Marital Status:** Single

**Current Address:** 10/157 TURKMAN GATE ALIGARH, ALIGHARH, Uttar Pradesh, India - 202001

**Email:** wasidansari5284@gmail.com

**Date of Birth:** 01 Jan, 2003

**Known Languages:** JAVASCRIPT, GOLANG, TYPESCRIPT, ENGLISH

**Phone Number:** +91-9389746454
